DSCI561: Regression I
Lecture 7: December 6, 2017

Gabriela Cohen Freue
Department of Statistics, UBC

Review from Lect 5-6

- Confidence intervals for the regression coefficients

- Prediction intervals

- Confidence intervals for prediction

- Bootstrapping in regression

In today's lecture

- Solve question 4a of quiz 1:

  – see quiz1_4a.pdf and quiz1_4a.Rmd

- Bootstrap hypothesis tests:

  – see lectures_code.pdf and lectures_code.Rmd
